Overview:

Fudan University International Summer Session 2018 will provide a 4-week course study and cultural experience to students from all over the world. The session offers 20 content courses, 4 Chinese language courses at different levels and 2 PE courses. In addition we offer historical and cultural visits. The content courses will cover a range of topics in History and Culture, Society and Politics, Business and Economy, Science and Technology and Law. Each 2-credit content course is designed as a 39-credit-hour course (except for "Lecture Series on Chinese Economy and Society" which offers 3 credit options), 1-credit content course as a 18-credit-hour course, 2-credit Chinese course as a 40-credit-hour course, 4-credit Chinese course as a 80-credit-hour course and each PE course as an 18-credit-hour course. Students can choose one to three content courses, and the Chinese language courses and PE courses are optional. After successful completion of the course study, students will be awarded a program certificate and an official transcript from Fudan University.
