

SUMMER PROGRAMS AT TEL AVIV UNIVERSITY

ACADEMIC SUMMER PROGRAMS

BUSINESS AND ENTREPRENEURSHIP IN THE START-UP NATION

In this dynamic summer program, students will gain valuable insight into the many dimensions of innovative venture creation, and entrepreneurship through intensive coursework and excursions. Beyond the top level academic course, students will get a chance to take an in-depth look into the start-up eco-system of Tel Aviv.

TUITION: \$2,000 (4 CREDITS)

PROGRAM DATES
LATE JUNE-JULY, 2019

CYBER SECURITY – FUNDAMENTAL & ADVANCED

For the past three decades, the State of Israel has maintained its top position as a leading powerhouse for cyber security innovation in cyber technologies as well as cyber strategy and policy. This program will examine the world of cyber warfare, security threats, new technologies, and Israel's place in this increasingly important field.

Detailed information is coming soon on our web site.

TUITION: \$1,200 (2 CREDITS),
\$2,000 (4 CREDITS)

PROGRAM DATES
LATE JUNE-JULY, 2019

MIDDLE EAST & CONFLICT STUDIES

Dive deep into the Middle East and Israel while exploring historical and contemporary issues through two academic content courses taught by renowned professors while also learning outside of the classroom through course excursions.

TUITION: \$3,000 (6 CREDITS)

PROGRAM DATES
JUNE-JULY, 2019

SUMMER INTERNSHIP

Students have the unique opportunity to participate in a customized internship that is tailored to their specific academic and professional interests. In addition to doing an internship, students will also be taking a career workshop course that will award them with academic credit. Whether a student's passion is for Technology, Business, Political Science, NGO work or more, the TAU International Internship Coordinator will connect them with an internship that will offer a unique and engaging experience.

TUITION: \$2,000 (3 CREDITS)

PROGRAM DATES
MID JUNE-LATE JULY, 2019

RESEARCH PROGRAM IN THE SCIENCES

Students join a laboratory or theoretical research project under the supervision of an experienced scientist while becoming essential members of the scientific team.

TUITION: \$1,000

PROGRAM DATES
JUNE-AUGUST, 2019

ADVANCED EPIDEMIOLOGY AND PREVENTIVE MEDICINE

The Summer Institute of Advanced Epidemiology and Preventive Medicine in collaboration with Johns Hopkins School of Public Health provides a unique platform for clinicians, healthcare executives, policymakers, and students from Israel and around the world to participate in public health courses for professional development or academic credit.

TUITION: \$900-\$3,300*
(2-6 CREDITS)

PROGRAM DATES
JULY 2019

THE FOOD SAFETY & SECURITY SUMMER INSTITUTE

Courses offer a taste of diverse fields from International Development and Economics to Biology and Public Health. Students can choose from individual week-long courses or follow one of the tracks offered: Agriculture, Policy and Nutrition or Water. All courses are taught at a graduate level. Program includes field trips and is taken by both Israeli and international students.

TUITION: \$900-\$2,700*
(2-6 CREDITS)

PROGRAM DATES
LATE JUNE – LATE JULY, 2019

SMART CITIES

Set in the "World's Smartest City", the program aims to introduce students to the ways the application of the rapidly developing ICT (information communication technologies), opens new possibilities and opportunities to solve some chronic urban problems such as traffic congestion, as well as to handle some newly recognized environmental and social problems such as urban sustainability, resilience, governance, urban planning and the like.

TUITION: \$2000 (4 CREDITS)

PROGRAM DATES
LATE JULY-AUGUST, 2019

ISRAEL'S NATIONAL SECURITY CHALLENGES IN THE CHANGING MIDDLE EAST

This program is tailored to give students a comprehensive understanding of the changing Middle East. Throughout the program various shifts that have occurred in the region in the last 7 years will be explored: political, societal, religious and economic. The program brings together a unique combination of leading academic experts and experienced senior practitioners from both Tel Aviv University and the Institute for National Security Study (INSS) who will share their experience and knowledge with the students and provide the students with an intellectual experience from a very different angle and perspective.

TUITION: \$2,400 (6 CREDITS)

PROGRAM DATES
LATE JULY-AUGUST, 2019

* Depending on no. of credits

For updated information, dates, and prices please refer to our website.

“Joining the TAU Summer Session was one of the best decisions I made – the best 35 days of my life. The program was well interlinked with academics and non-academic activities, we had the opportunity to see almost all of Israel, enjoy its beauty, and experience how amazing the city of Tel Aviv is.”

Tony Thomas, Summer Session Cyber Security

ADDITIONAL INFORMATION FOR SUMMER PROGRAMS

The majority of our summer programs are built so that they can be taken individually or combined. Students who choose to combine the programs will be eligible for a discount.

For additional information please visit our website.

STUDENT HOUSING

Housing is available for all international students in the summer programs. The Einstein dormitories are across the street from Tel Aviv University's main entrance. Each dormitory suite is divided into two bedrooms: two students sharing each bedroom. Each suite is fully furnished and includes a kitchen, bathroom, air conditioning, Wi-Fi, and a cable TV.

For updated information, dates, and prices please refer to our website.

SPEND THIS SUMMER IN TEL AVIV at TAU!

ABOUT TEL AVIV

Tel Aviv is a vibrant Mediterranean city that has so much to offer! Whether you are interested in culture, technology, food, or beaches you will quickly find yourself immersed in this exciting city.

A quick ride away from Tel Aviv University, Tel Aviv is centrally located in Israel, giving students the opportunity to enjoy the fast paced city life, with easy access to visit anywhere in the country.

So pack your sunglasses and get ready for an unforgettable experience!
