A MESSAGE FROM THE PRINCIPAL

Dear Students

It is a great pleasure to invite you all to join Zhejiang university's Global Program

With the launch of the Australian government’s New Colombo Plan, Zhejiang University has made plans to expand their academic collaboration network in Australia in order to offer better mobility for Australian students who wish to study abroad in China.

Zhejiang university's Global Program, is an English-taught academic program which aims to provide students with an opportunity to experience new cultures and opportunities whilst studying abroad in one of the most prestigious universities in China.

In addition to creating an intensive academic environment, we hope to give you a dynamic social experience through city tours, cultural site visits and through providing a variety of extracurricular activities in collaboration with ZJU student clubs.

I look forward to welcoming you at Zhejiang University and providing you all with an unforgettable summer experience. I believe the experience you will receive at Zhejiang University will pave a better path for you future career and open up many more opportunities.

Yongjun Huang
Head of School of International Studies, Zhejiang University

WELCOME TO ZHEJIANG UNIVERSITY

About

Founded in 1897, Zhejiang University is a prestigious university located in the historical and picturesque city of Hangzhou, with a longstanding history. As a national university, it strives to establish itself into an innovative research university with a world-class status.

Zhejiang University is truly a comprehensive institution of higher learning with a long-standing commitment to seeking the truth and pursuing innovativeness. Rich campus culture, advanced teaching facilities and a wide range of international exchanges create favourable conditions for student development. It is dedicated to nurturing students to be thoughtful leaders and active citizens with a global vision and social responsibility.

It engages students in interdisciplinary & innovative research that addresses pressing issues and challenges that face the world today. It also has a strong commitment towards translating knowledge and creativity into value in benefiting the people in our country as well as the global community.

ABOUT US ZJU GLOBAL

Why should I be interested in this short term program at Zhejiang University?

Zhejiang University is dedicated to providing students with innovative and high quality overseas courses and internship experiences. We help students who are passionate about furthering their education in prestigious universities through exchange programs which encourage personal development. We hope that through these experiences they are able to obtain a competitive advantage over their peers in both their studies and future careers.

Zhejiang University is one of the most prestigious higher education institutions in China and offers a comprehensive range of subjects. Students are able to experience world class teaching and facilities whilst interacting with students from different areas, sharing their experiences and culture.
