

FDSM International Class 2020 (December)

Program Introduction

FDSM International Class is hosted by School of Management, Fudan University. The program provides high-quality English-taught courses covering various fields for students from all over the world. The program is dedicated to promoting international academic exchange and cooperation. The school emphasizes on cultivating students' global sights, improving students' international competitive awareness and stimulating China globalization in high education.

School Introduction

Established in 1917, Fudan University School of Management (FDSM) is one of the leading institutions of Fudan University. The school claims both AACSB and EQUIS accreditations. In the Financial Times Global MBA Ranking 2020, FDSM MBA Program ranked 33rd in the world, 6th in the Asia-Pacific region and No.1 in mainland China. FDSM has also been adopting an internationalization strategy and actively exploring opportunities of international exchanges. It has built up cooperation and exchanges with 109 well-known universities and research institutions from 32 countries and regions as USA, Italy, Norway, UK, France, Singapore, Australia, South Korea, and Hong Kong etc. The internationalization strategy has covered a wide range of areas including student exchange, faculty exchange, collaborative scientific research, curriculum development, corporate links and international cooperative research, etc.
