Please be aware, scholarship funds are distributed after arrival in Toronto, through regular York University processes. It may **take 6 - 8 weeks after arrival in Toronto**, for funds to be available to individuals. Successful applicants will need to have access to personal funds during that time.
How to apply

Application procedures are outlined below.

A. Taking courses at York with support of the Global Affairs Canada Scholarship
   - Only students from York’s exchange partners are eligible to take courses at York, funded by GAC SEP or GAC ASEAN SEED, as the scholarship requires York to ‘waive tuition and/or academic fees for selected students’.
   - Exchange agreement balances will be taken into consideration when determining if a nomination can be submitted to Global Affairs Canada. Interested students must contact their institution’s exchange coordinator who will then liaise with York International.
   - Refer to the application process in Box 1.

Box 1

1. Students contact exchange coordinator at their home university.
2. Home exchange coordinator submits YI Global Affairs Canada Scholarship Application, and Privacy Notice
3. YI reviews applications & nominates to CBIE on behalf of York University.
4. Nominated students submit a YI Incoming Exchange Application

Required forms and additional information

(2) Privacy Notice Statement
(3) York International Incoming Exchange Information – Coming to York U on Exchange

B. Conducting research and professional development at York U with the support of a Global Affairs Canada Scholarship.
   - Agreement between the candidate’s Home Institution and York University is not required for this category.
   - Individuals who are interested in conducting research or having a professional development experience at York must contact and secure a York faculty member who will agree to supervise them.
   - The candidate and the York supervisor will work together on the GAC application requirements and submit them to York International.
   - Refer to the application process in Box 2.
Box 2

1. Researcher or staff contacts a potential York research supervisor
2. York supervisor agrees to supervise researcher and provides letter of invitation.
3. Home university submits York International Global Affairs Canada Scholarship Application and Privacy Notice Statement
4. YI provides information about International Visiting Research Trainee (IVRT) Application process
5. YI reviews & nominates researchers to CBIE on behalf of York University
