Study abroad and exchange academic information

Minimum GPA requirements
60 average (University of Leeds system)
3.0 (US system)
5.5 (Australian system – on the 7.0 scale)
If a student has not met the grade requirement and there were factors that negatively affected their grades, please contact the Study Abroad Office as we can take mitigating circumstances into account and review such requests on a case-by-case basis.

Minimum language requirements
IELTS 6.0 overall with no component lower than 5.5.
Non-native speakers of EU/EEA nationality are expected to meet level B2 on the Common European Framework of Reference for Languages (CEFR).
Please note: 1) We must base decisions on the language level shown on the last certificate the student submits. 2) Some teaching schools have a higher requirement than our standard minimum.

Course load per semester
60 Leeds credits per semester/120 credits for the full academic year.
Students may take 50 credits per semester and still be considered a full-time student, but must have this agreed with their home university.
10 Leeds credits (5 ECTS) is equivalent to 100 hours of study, including lectures, seminars and independent learning.

Examinations

There are two exam periods at the University of Leeds: one in January and one in May/June.

If Semester 1 students find that teaching at their home university clashes with the January exam period, they can apply to take exams at their home university. They will pay a fee for this.

If students need to re-sit all or part of a module, the re-sit period is in August. These resits may be taken overseas if appropriate. This will involve a fee.

LISS modules are assessed by other means, such as coursework, presentations, practical assignments in class.
