IMPACT OF COVID-19 ON IRCC’S CLIENTS
International Students
canada.ca/ircc-covid19
If you graduated or will graduate from a DLI that offers PGWP-eligible programs, you’re still eligible for a post-graduation work permit if:

• your in-class courses in Canada are moved to an online-only format because of COVID-19, or

• you had to put your studies on hold or study part-time because of COVID-19 during the winter, spring or summer 2020 semesters.

As of the fall 2020 semester, you must be studying full-time to be eligible.
How your PGWP eligibility is affected by online learning

You can complete 100% of your program online until December 31, 2021 if you:

• meet all the other PGWP requirements
• have been enrolled in a program that was in progress in March 2020, or
• have started a program between spring 2020 and fall 2021, and
  • you have a study permit, or
  • you’ve been approved for a study permit, or
  • you applied for a study permit before starting your study program
    • your study permit must eventually be approved
As of January 15, 2022, certain groups of travellers, who are currently exempt from entry requirements, will only be allowed to enter the country if they are fully vaccinated with one of the vaccines approved for entry into Canada. This change includes all international students who are 18 years old and older.

Also effective November 30, 2021, Canada will expand the list of COVID-19 vaccines that travellers can receive to be considered fully vaccinated for the purpose of travel to Canada. The list will include Sinopharm, Sinovac and COVAXIN, matching the World Health Organization Emergency Use Listing.
