Summer

Program

Sogang International Summer Program (SISP) is a 4-week program for students who wish to broaden their academic experience. It is also a great opportunity to explore Korea and engage in cultural exchanges with students and faculty members from around the world. By joining our program, students can combine intensive classwork with exciting field trips and various extracurricular activities alongside Sogang University students. Students can also take advantage of their stay in Sinchon where Sogang University is located, the lively college town in the center of Seoul!

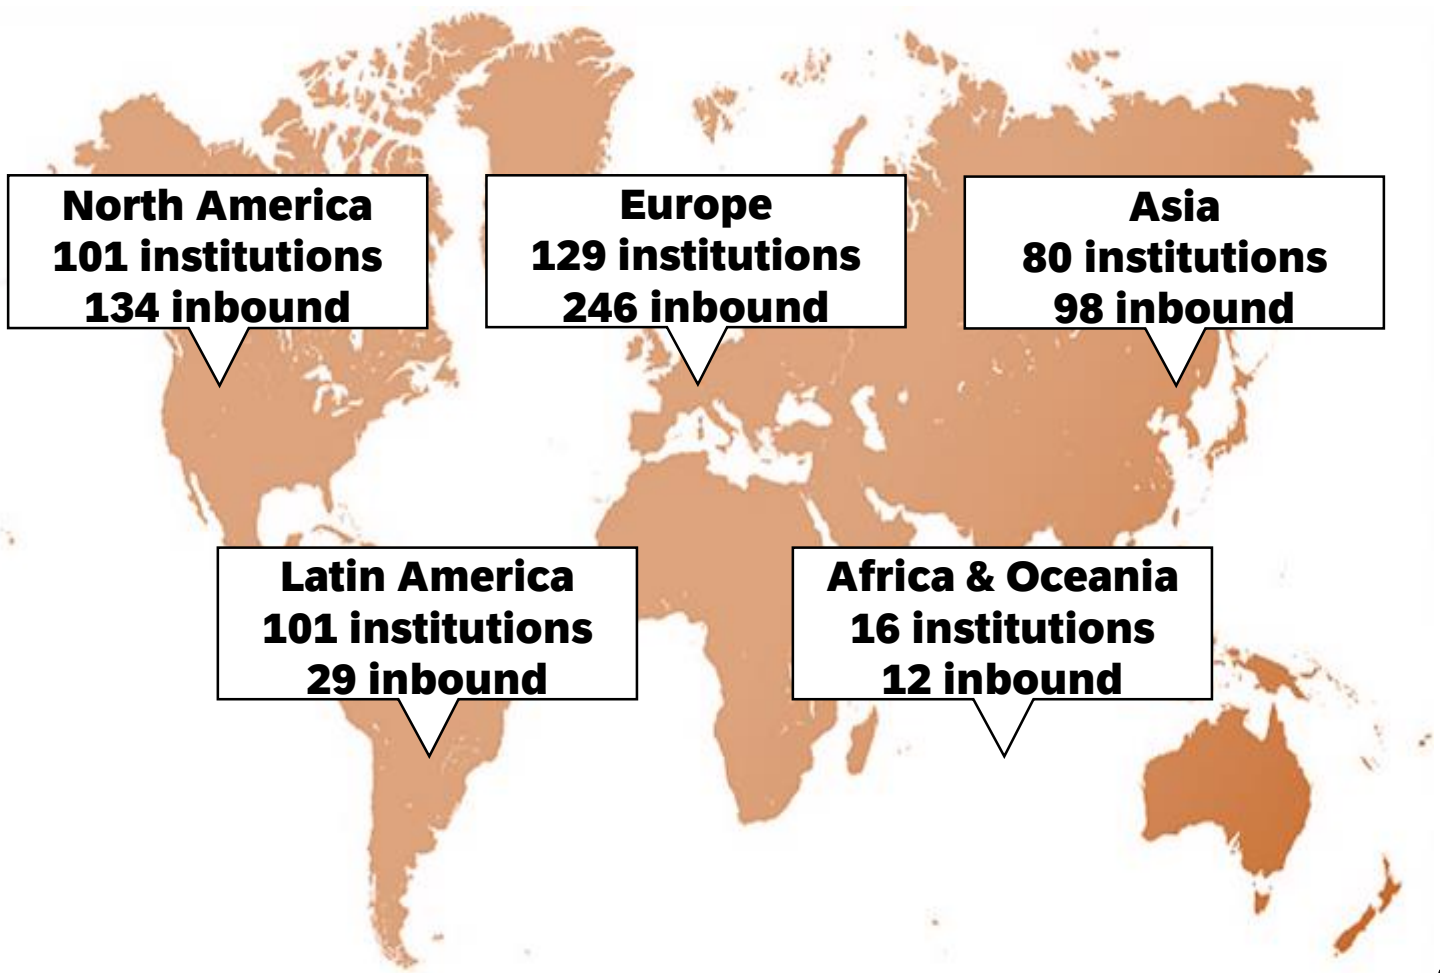

OFFICE OF INTERNATIONAL AFFAIRS

SOGANG UNIVERSITY

Sogang University was established by the Society of Jesus in 1960 to provide an education based on Catholic beliefs and inspired by the Jesuit philosophy of education, in conformity with the Korean tradition of education.

In spite of its relatively short history, Sogang University has established its place as one of the top universities in Korea. There are 27 departments within 7 colleges offered in the undergraduate program comprised of 8,000 students and 418 full-time, tenure-track professors.

With its strong bond with more than 380 partner universities around the world, Sogang hosts about 400 incoming exchange students and sends 200 outgoing exchange students per year.

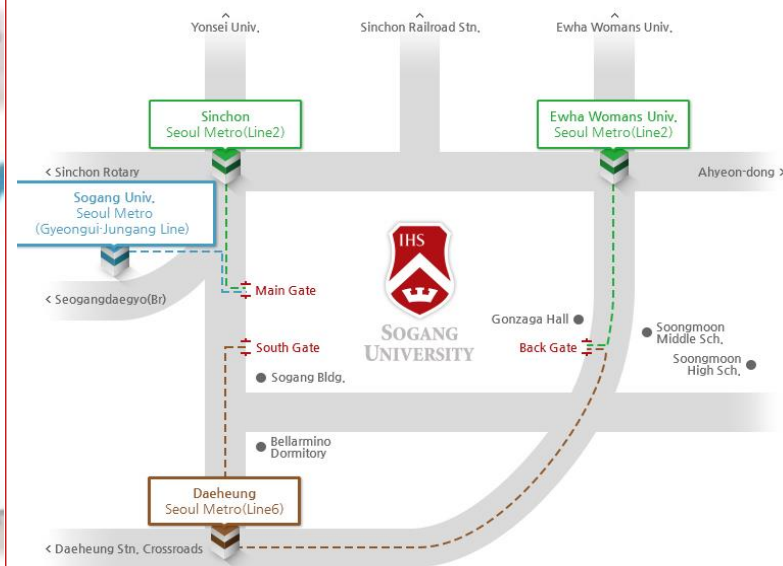

Why SISP?

Close to the center of Seoul and downtown area

Campus adjacent to public transportation system

International on-campus Dormitory with hygiene environment

Korean courses taught by renowned Sogang Korean Language Education Center

Various vibrant activities with Sogang students for more hands-on experiences of Korea and its culture
