STUDENT ACKNOWLEDGEMENT OF CONDITIONS AND RESPONSIBILITIES:

I UNDERSTAND THAT:

- ☐ Final assessment of credits and equivalencies will take place upon receipt of an official transcript from the host institution.
- ☐ I must achieve a minimum equivalent of a passing grade at the host institution in order for the course to be applied as credit to a York University degree. Failed credits while on exchange will appear on York records
- ☐ Courses and grades taken at the host institution are not listed on the York transcript **nor** included in the York grade point average. Instead my exchange credits will be reflected on York transcript as INEX credits. For full details, refer to <http://yorkinternational.yorku.ca/go-global/exchange/preparing-to-go-on-exchange/>
- ☐ I am responsible for making sure I am not repeating a course I have already passed at York or any other post-secondary institution because course credit will only be counted once for repeated courses. The last attempt will be the grade of record.
- ☐ A **Course Substitute** will directly replace a specified York course. Other courses, known as **Course Credit Exclusions** (CCE's), are not direct substitutes but overlap in content enough that both courses may not be taken for credit. A Substitute can be a CCE but a CCE is not always a Substitute. Courses taken at the host may not be a Substitute or a CCE but may still satisfy free choice or elective credits. I will connect with the Undergraduate Program Director/Coordinator and Assistant if clarification is needed.
- ☐ Some York programs are subject to external accreditation or professional association requirements (e.g. practica and core courses for engineering, nursing or social work). These may restrict approvals for courses taken at other institutions. Consult your Faculty/Department for details.
- ☐ I understand that I am responsible for determining the equivalent of 15 York (full credit load) at my host institution. Please refer to the Academic Plan on page 2.
- ☐ I will be required to enrol in and pay for a specifically-numbered York exchange course equaling 15 credits a term while away on exchange. Credits will be re-assessed upon my return. Should I not successfully complete 15 credits per term, my transcript will be adjusted accordingly. No refunds will be given if fewer than 15 credits are completed.
