

Youth Challenge International HerStart Innovate the Future Program

HerStart Fellowships are meaningful **3 and 6 month international placement opportunities** that are designed to expand your knowledge and empower you to make an impact on global gender equality, climate action and social entrepreneurship ecosystems.

HerStart International Fellowship Program

International Placements

3 and 6 month in-person placements for Canadians (citizens + permanent residents) in Tanzania, Uganda and Ghana.

Holistic Benefits Package

Includes: comprehensive pre-departure training, end-of-placement support, fundraising resources, and many costs covered (round-trip airfare, visas, health insurance, a monthly stipend and more)!

Recruitment Cycles

Cohorts start every January, May and September, with applications closing ~3 months before the start date. Applications are reviewed on a rolling basis – apply early!

Fellowship Opportunities Available

- Gender Equality
- Climate Action
- Social Entrepreneurship
- Program & Partnerships
