If you have a positive balance, that means you have an outstanding balance.

- **Moving into Residence- Housing Services**
  Move-in day for the Fall Semester is Saturday August 26, 2023. It is encouraged to move in on the 26th, so you are integrated into the community and can participate in orientation events. There will be staff available to move in past August 26th. However, you must be in residence by the first day of classes, otherwise you are considered a no-show and your room will be offered to another student. Here is [Keele Campus Residences Move-in information](#) and [Glendon Campus Residences Move-in information](#).

  **Important to note:** The university will send you an email confirmation once they receive your residence deposit payment.
