¿WHAT IT IS SAID ABOUT US?

"Thanks to TSE not only have I improved my Spanish, but also I have experienced new veterinary tasks during my internship, and I have been really happy getting to know the city and the culture along with my Spanish family. I will surely repeat the experience again."

LARISA ESTRADA, **NEW MÉXICO STATE UNIVERSITY.**

" Doing an internship in Spain has been a great experience for me. I have learnt new tasks in the travel agency and a lot of vocabulary about tourism. Lessons at TSE are fun and with students of other nationalities so they have made me practise the Spanish language a lot "

AOI TAKAHASHI **MEIJI GAKUIN UNIVERSITY. JAPÓN.**

" During my Spanish lessons I have learnt a lot about vocabulary and grammar. Besides, I practise a lot of Spanish in my voluntary work in the Red Cross. At the beginning I was very nervous at work but everybody has been very nice to me and I am learning a lot."
