- Scholarships available
- Website : <https://www.yorku.ca/ouinternational/ora>

STUDY IN AUVERGNE-RHÔNE-ALPES

La Région
Auvergne-Rhône-Alpes

STUDY IN AUVERGNE-RHÔNE-ALPES

STUDY IN AUVERGNE-RHÔNE-ALPES

STUDY IN AUVERGNE-RHÔNE-ALPES

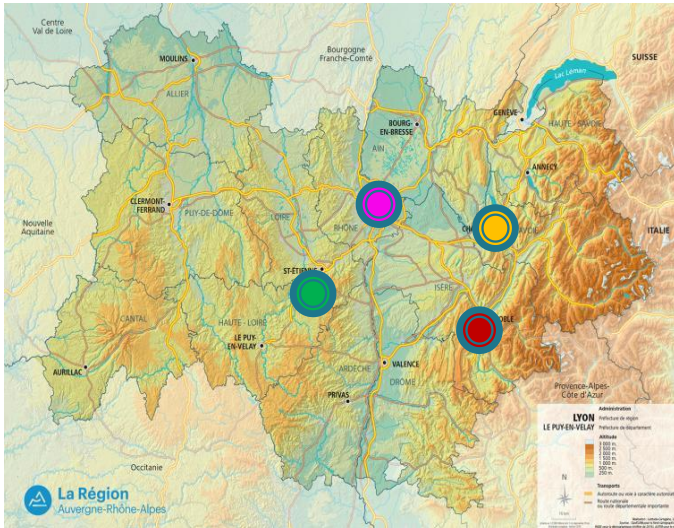

WHY STUDY IN AUVERGNE-RHÔNE-ALPES ?

- Amazing region :
 - 2nd economic region of France, strong in industry, research and innovation
 - Renowned universities and prestigious Grandes écoles
 - Culturally vibrant and rich in history
 - Famous for its culinary culture
 - Centrally located (2-hour direct connections to Paris and the Mediterranean)
 - Home to the Alps, skiing and hiking opportunities
- Support from the dedicated coordinators in both regions and from the institutions' international offices
- Scholarship support from the Province of Ontario

10 PARTNER INSTITUTIONS

Université Claude Bernard Lyon 1
Université Lumière Lyon 2
Université Jean Moulin Lyon 3
Ecole Centrale Lyon
INSA Lyon
Ecole normale supérieure Lyon
Université Jean Monnet Saint-Etienne
Université Savoie Mont-Blanc
Université Grenoble Alpes
Grenoble INP – UGA

3 PROGRAMS

- Student Exchange Program (1 or 2 semesters)
- Summer Research Program (3 months)
- Summer Language Program (4 to 6 weeks)
- Application deadline: confirm with your home university

ORA STUDENT EXCHANGE

- 1 or 2 semesters
- Area of study open
- Study in French. Some courses in English.
- Scholarship : \$2,500 for 1 semester, \$3,500 for 2 semesters
- Credits transferred toward your degree
- Students select 2 options for a host institution, 1st choice granted 90% of the time.

ORA STUDENT EXCHANGE

- Courses in English :
- Most courses are taught in French, but all institutions offer some courses in English.
- Lists of courses taught in English soon available on the ORA website.
- One main possibility of a full program in English at Université Jean Moulin Lyon 3 (SELF Program).

SUMMER RESEARCH PROGRAM

- 2 or 3-month placement in a research group / lab at a university in AURA
- Open to students in all disciplines
- Students identify their research group individually with the support of the ORA program office and the universities
- List of laboratories available on the ORA SRP webpage
- Participants are eligible for a stipend provided by the French research group or lab
- Scholarship : \$1,500.

SUMMER LANGUAGE PROGRAM

- 4 to 6-week intensive program in French language and culture, with activities
- Scholarship : \$1,200
- Credits transferred toward your degree (discretion of your home university)
