

Global Summer Programme 2024

24th June - 19th July 2024
(9th Edition)

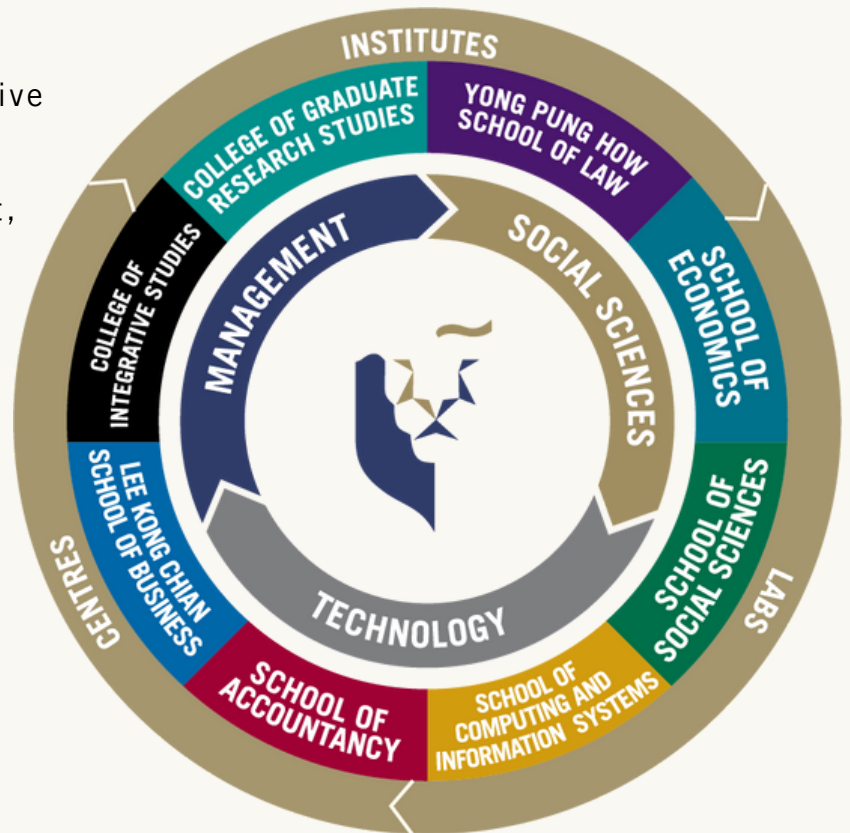

SMU IS GLOBAL

The Singapore Management University is internationally recognised for its world-class research and teaching excellence.

Established in 2000, SMU is known for its highly interactive, collaborative and project-based approach to learning, and for its emphasis on generating rigorous and high-impact, and multi-and interdisciplinary research that addresses Asian issues of global relevance.

Home to more than 12,000 students, SMU comprises eight schools specialising in Accountancy, Business, Economics, Computing and Information Systems, Law, Social Sciences, Integrative Studies and Graduate Research Studies, offering a wide range of bachelor's, master's and PhD degree programmes.

The College of Integrative Studies and College of Graduate Research Studies also facilitate the development of interdisciplinary programmes across schools to prepare our students to face the challenges of a complex world.

STUDENT TESTIMONIALS

**Amber Derua -
Katholieke
Universiteit Leuven,
Belgium** (GSP 2023)

I will never forget GSP and definitely recommend it – I've broadened my horizons so much through the out-of-classroom activities for cultural immersion and academic exploration.

**Chih Chi Huang -
National Taiwan
University (College of
Law), Taiwan** (GSP 2023)

The SMU GSP has been an experience of a lifetime! I explored new fields of knowledge, gained industry insights, and learnt to appreciate cultural differences through my interactions with the global and diverse participants.

**Jethro Cheung - Singapore
Management University** (GSP 2023)

GSP is a great opportunity for SMU undergraduates. Through the exposure to students from around the world, I learnt how to communicate with diverse individuals. It is amazing to witness how despite our differences, we could come together to solve common pain points for the betterment of society.

**Nadya Marshanda - Universitas
Gadjah Mada, Indonesia** (GSP 2022)

Studying in the heart of Singapore allowed me to explore and experience the robustness of this city-state. With the diverse participants, lecturers with varied expertise, and company visits arranged throughout GSP, I am also able to gain a new perspective on contemporary issues and innovative solutions to adapt to the changes.

**Irene Zhang - University of
British Columbia, Canada** (GSP 2022)

GSP combines unique courses, fun experiential activities, and opportunities to connect with diverse students to provide a unique learning experience in Singapore for the global citizen.
