

Choose Your Courses

We aim to continuously develop our curriculum and courses further. At the moment these include more than 30 degree programmes at Bachelor's and Master's level, some taught in German, some in English. In addition, visiting students can participate in the language and intercultural training courses offered by our **Language Centre** www.h-brs.de/en/spz

Each semester, visiting students can choose from a variety of courses offered in English. Please contact us for further information.

International Office

Study Abroad at Hochschule Bonn-Rhein-Sieg

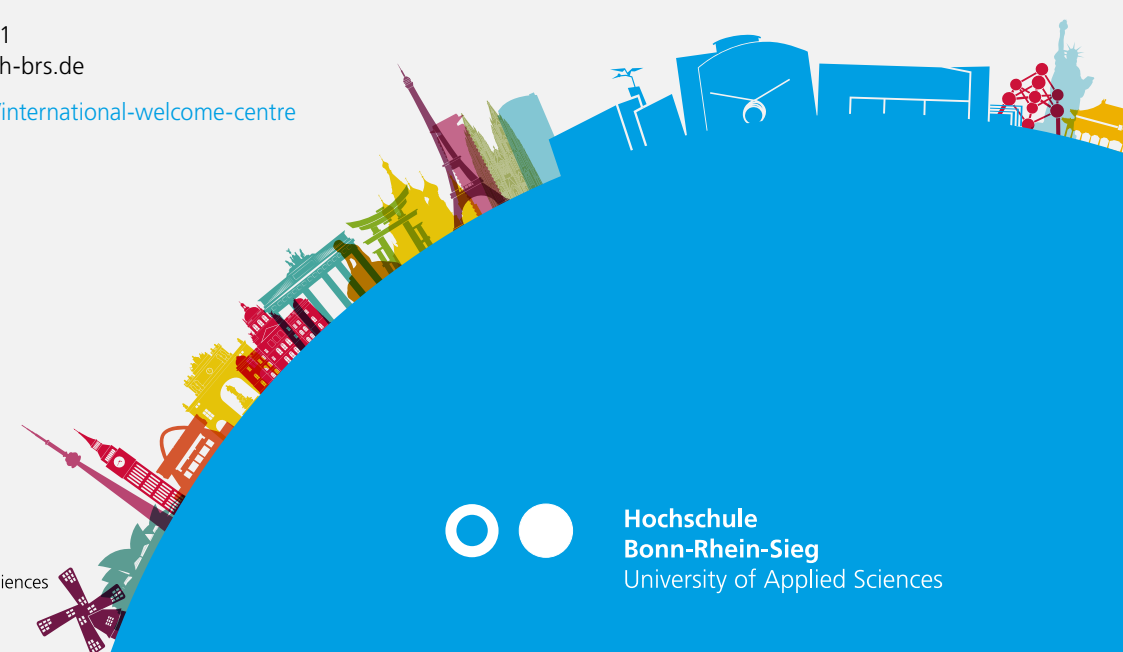

Information for visiting students
from partner universities

**Hochschule
Bonn-Rhein-Sieg**
University of Applied Sciences

**Hochschule
Bonn-Rhein-Sieg**
University of Applied Sciences

It is great that you are considering Hochschule Bonn-Rhein-Sieg, University of Applied Sciences for your studies abroad! Founded in 1995, we are a dynamic and research-driven university with currently around 9,000 students and an overall staff of approximately 1,000 including 150 professors. They are supported by highly qualified lecturers from the fields of academia, business and industry. Visiting students can enjoy our modern campuses with excellent technical equipment and benefit from practically focused degree programmes complemented by our ties to research institutions and industry.

One University – Three Locations

Hochschule Bonn-Rhein-Sieg is located in Hennef, Rheinbach and Sankt Augustin, small towns in the Rhein-Sieg area surrounding Bonn. Bonn is a very international city with a population of more than 300,000. It has numerous museums and galleries, cinemas, theatres, concert halls, restaurants, bars and clubs.

An International Campus

Every semester we are happy to welcome visiting students from our more than 80 partner universities around the world!

The Welcome Centre

We will guide you through the application process and help you prepare your stay here with us. We offer advice and support for you throughout your time in Germany.

Accommodation

We can make a room reservation for all exchange students from partner universities for one of the student dormitories in Bonn, run by the Studierendenwerk Bonn. These dormitories offer a variety of different housing options, depending on your preferences and subject to availability of course.

A Warm Welcome

Before your arrival, we will match you with a Study Buddy, a senior student helping you begin your own studies as easily and simply as possible. Your Study Buddy can meet you at the train station when you arrive and help you with administrative tasks like enrolment and registration with local authorities.

Getting Started

Our orientation at the beginning of the semester allows you to get to know the campus, meet other international students and learn about how to navigate your first days and weeks in Germany.

Culture Programme

Offered every semester by the International Office, there is something for everybody – from city trips and cultural or film evenings to visits to museums and cruises on the river Rhine! Most activities are free of charge and this is a great opportunity to meet other international students and get to know the area.

Academic Calendar

The academic year is divided into two semesters. The winter semester runs from September to February, while the summer semester runs from March to August. Each lecture period is followed by an examination period.

Take a look at the semester dates here:

www.h-brs.de/en/lecture-periods

Application Process

After you have been nominated to us, you will receive our application documents. The application deadline for the winter semester is 30 May and for the summer semester it is 30 October.
