

YORK UNIVERSITY GLOBAL OPPORTUNITIES e-DIGEST

APRIL 15, 2024

1. RESEARCH AND PROJECT OPPORTUNITIES

1.1. GLOBAL RESEARCH EXCELLENCE (GRE) SEED FUND

York's Global Research Excellence (GRE) Seed Fund empowers York to drive positive change by supporting York's emerging and established research leaders collaboratively build and lead impactful global research networks. Being one of Canada's largest research-intensive universities, York operates on a global scale by serving as an international hub for many critical areas of inquiry. GRE supports investigator-led collaborations that have targeted outcomes while also affording York research teams the ability to take risks and the versatility to work with leading universities, industry, government agencies, IGOs and NGOs from across the world. Deadline: Rolling. For more information, [click here](#).

- **GRE STREAM A: STRATEGIC PARTNERSHIP EXPLORATION AND DEVELOPMENT**
Award Amount: Up to 30,000 CAD
- **GRE STREAM B: TOWARDS 2030: ADVANCING MULTILATERALISM**
Award Amount: Up to 15,000 CAD

1.2. WIPO INDIGENOUS FELLOWSHIP PROGRAM

The fellowship offers a great opportunity to get involved in the work of the Traditional Knowledge Division. Since its start in 2009, the WIPO Indigenous Fellowship Program has enabled members of Indigenous Peoples to participate in the WIPO's Traditional Knowledge Division, undertaking important activities.

Deadline: April 21, 2024

For more information, [click here](#).

1.3. SUSTAINABILITY INNOVATION FUND

To advance York's ambitious plans for sustainability, the Sustainability Innovation Fund (SIF) supports sustainability projects on the York University campuses. The spring 2024 round of the Sustainability Innovation Fund is specifically to support projects that can advance climate action at the University, support our net zero goals, and contribute to advancing Sustainable Development Goal 13 (Climate Action).

Deadline: April 26, 2024

1.4. MITACS GRA – KARLSRUHE INSTITUTE OF TECHNOLOGY (KIT)

Germany: Travel from Canada and Travel to Canada

Call is open to PhD students and Postdoctoral fellows.

Award Amount: 6,000 CAD

Deadline: April 28, 2024 (participants must inform Oliver Kaas at KIT of their intention to submit a project - oliver.kaas@kit.edu)

Application Process and Submission: Apply through the [application portal](#).

1.5. DAAD – GROUP STUDY VISIT

The objectives of the funding are:

- to establish and maintain contacts between German and US/Canadian universities.
- to provide participants with a subject-specific knowledge by organizing visits to **at least two German universities**, subject-related tours and informative meetings.
- to promote meetings with German students, academics, and scientists.
- to offer participants an insight into economic, political, and cultural life in Germany. This should not take up more than a third of the duration of the group's stay.

Deadline: May 01, 2024

For more information, [click here](#).

1.6. DAAD – RESEARCH GRANTS – SHORT TERM GRANTS

The primary aim of this programme is to promote research projects within the context of doctoral programmes. The scholarships are funded by the German Federal Foreign Office.

Monthly payments:

- 1,300 Euros + Travel Allowance for Doctoral Candidates and Post-Docs
- 934 Euros for Non-Doctoral Degrees

Deadline: May 02, 2024

For more information, click [here](#).

1.7. DAAD – RESEARCH STAYS FOR ACADEMICS AND SCIENTISTS

This programme offers you the opportunity to network amongst colleagues and exchange experience in the framework of short-term research stays in Germany. The scholarships are funded by the German Federal Foreign Office.

Monthly payments:

- 2,000 Euros + Travel Allowance for Assistant Professors, Lecturers, and Assistant Teachers
- 2,150 Euros for Professors + Travel Allowance

Deadline: May 15, 2024

For more information, [click here](#).

1.8. GERMAN STUDIES RESEARCH GRANT

The aim of the research grant is to fund and encourage young academics to study subjects relating to German affairs on a long-term basis.

Duration of Funding: 1-2 months

Monthly Payments: 2,000 – 3,000 USD

For more information, [click here](#).

1.9. NATIONAL INSTITUTE OF INFORMATICS (NII) JAPAN, INTERNATIONAL INTERNSHIP PROGRAM

The NII International Internship Program is an exchange activity with students from institutions with which NII has partnership. This incentive program aims at giving interns the opportunity for professional and personal development by engaging in research activities under the guidance and supervision of NII researchers.

Call is open to Master's and PhD students.

Deadline: May 17, 2024

For more information, [click here](#).

1.10. QUEEN ELIZABETH II GRADUATE SCHOLARSHIP IN SCIENCE AND TECHNOLOGY

Students in science and technology at the master's and doctoral levels can apply for a merit-based scholarship through the Queen Elizabeth II Graduate Scholarship in Science and Technology (QEII-GSST) Program. Awards are available to graduate students in approved research programs in science and technology disciplines.

Award Amount: 10,000 CAD for two consecutive study terms, 15,000 CAD for three consecutive study terms.

For more information, [click here](#).

1.11. BCDI 2030's SECOND CALL FOR PROPOSALS

Funded by Global Affairs Canada and co-administered by Universities Canada and Colleges and Institutes Canada, BCDI 2030 aims to strengthen the social and economic development of women and men, particularly women, from 26 eligible Francophonie and Commonwealth countries, as well as other Small Island Developing States. The eight-year program (2022-2030) provides quality education and training opportunities, including vocational and technical training, to reduce inequalities in access to higher education. It aspires to train women and men leaders to become agents of change who will positively influence their communities.

Deadline: May 30, 2024
