## Overview

Fudan International Summer Session is a 4-week English-taught course study program held each summer for college students from all over the world. It helps students achieve multicultural understanding, establish a global vision, and get connected with peers from all over the world. Fudan University's degree students will also participate in the program. So students will have the opportunity to get to know China and become part of the Fudan community.

Content courses cover a variety of topics, Business and Economy, History and Culture, Science and Technology, Society and Politics, and Law. In addition, PE courses such as Chinese Kungfu and Chinese Folk Dance, and different levels of Chinese language courses are also provided.

Apart from the courses, various extracurricular and social activities, such as city exploration, company visits, Chinese painting, Chinese folk dance, Thai Chi, Chinese ceramic art, are also arranged for students to experience the Chinese culture and the wonders of Shanghai, and get connected with each other who are all brilliant young people from both China and abroad.

After successful completion of the course study, students will be awarded a program certificate and an official transcript from Fudan University.
