SHORT-TERM PROGRAMS (TWO TO THREE WEEKS)

Students can join us for our **International Summer University (ISU)** or our **Winter University Program (WUP)**. They have the chance to immerse themselves into German culture, earn academic credits towards their degree by attending one of our modules, enjoy a varied program including several company visits, excursions to nearby sights, and fun-filled social activities.

We offer innovative and inspiring courses in the fields of sustainability, business administration, engineering and social sciences. Please refer to the programs' websites for more detailed information.

**We're looking forward to welcoming
your students in Darmstadt and Dieburg!**
