

MASTER LEVEL EXCHANGE COURSES* AT AALBORG UNIVERSITY (AAU)

Guest and Exchange - Aalborg University (aau.dk)

Important about exchange courses at AAU:

Exchange courses consist of modules of altogether 30 ECTS, which is the required ECTS to follow as exchange or guest student. For soe exchange courses you can choose from a selection of modules and for others the modules are predetermined.

THE FACULTY OF SOCIAL SCIENCE AND HUMANITIES/SSH	Fall	Spring
Department of Culture and Learning		
Master-level Exchange Course in International Cultural Studies (Aalborg), topics:		
Culture, Communication & Globalization	F	S
Tourism	F	S
Study Board of Communication and Digital Media		
MSc in Information Studies (Copenhagen), topics:		
Information Studies	F	
Design and Development of ICT		S
Information Studies in Practice	F	
Theoretical Information Science Course	F	
Sustainable Development Solutions	F	
itudy Board of Law		
MSc in Business Administration and Commercial Law (Aalborg)	F	
MSc in Law (Aalborg)	F	
Study Board of International Affairs		
MSc in International Relations (Aalborg), topics:		
International Relations and International Law in a Refugee Context	F	
Topics within Mobility and Displacement, Culture, Identity and Politics		S
Project Work within Mobilities, Sustainable Development and Social Change	F	
ASc in Development Studies and International Relations, specialisation in Global Refugee		
itudies (Copenhagen), topics		
International Relations and International Law in a Refugee Context	F	
Topics within Mobility and Displacement, Culture, Identity and Politics		S
Project Work within Mobilities, Sustainable Development and Social	F	
tudy Board of Business Economics		
MSc in Economics and Business Administration (Aalborg), specialisations:		
International Business	F	S
New Venture Creation	F
